## LETTER OF COMPLETION

**Letter to:**

Uday Garg

**Date:**

2 Nov , 2025

**To Whom It May Concern:**

This is to certify that Uday Garg has successfully completed his internship as a Web Development Intern at Mittal Alliance. During this period, he consistently displayed reliability, timely delivery of tasks, and a good understanding of web development concepts.

Throughout the internship, he was involved in projects that included React development, UI/UX design, and backend integration. His key responsibilities and contributions included:

- Translating UI designs from Figma into responsive frontend interfaces.
- Developing interactive web pages using React, HTML, CSS, and JavaScript.
- Collaborating with the backend team to implement and test integrated features.
- Ensuring responsiveness and usability across different devices and screen sizes.

He maintained a steady pace of work, met deadlines effectively, and showed a positive attitude toward learning and improvement. In recognition of his consistent performance and dedication, we were pleased to offer him an upgraded role beyond the internship.

We thank Uday for his contributions during his time with us and wish him continued success in his career ahead.

Best Regards,

**Sarthak Mittal**
